PACIFIC YEARLY MEETING OF THE RELIGIOUS SOCIETY OF FRIENDS

VOLUME 37, NUMBER 2

OCTOBER, 1968

ADDENDA FROM YEARLY MEETING

FROM THE PYM SOCIAL ORDER COMMITTEE

(This is a draft of a statement considered by the Social Order Committee which was not adopted, but provoked such interesting discussion that the committee wants it circulated for general response by Friends.)

At the founding of the U.S.A. as an independent nation her national goals included, "To establish justice, ensure domestic tranquility, and promote the general welfare . . ." These aims are so interrelated that action to further any one of them inevitably strengthens the others also.

Pacific Yearly Meeting is international, but since the majority of its members reside in the U.S.A. we feel entitled and compelled to speak in love and concern to the American people, especially those who are also Friends.

The three most pressing problems of America today, race, poverty and violence, are the natural consequence of failure to realize that when it becomes possible to meet the basic physical needs of all the people and that is not done, poverty becomes injustice, injustice breeds poverty of spirit in both those who exploit and those who suffer; constructive solutions appear impossible; and violence, however self-defeating, seems better than the soul-destroying existence of living with these evils.

We understand and value the drive for self respect that finds expression in the slogans "black power" and "Black is beautiful," recognizing that without self respect there can be no respect for others except that rooted in fear. However, we continue to affirm that only a constant effort to seek out and speak to that of God in **every** man can necessarily lead to a way of life which excludes the toleration of injustice, violence, or unnecessary suffering—that only love can serve as the foundation of a creative society.

There are many problems and possibilities for action. We do not list them here because the one essential action is for individuals to sensitize themselves and those around them to the immediate problems and opportunities of their own situations. Wherever people accept injustice, whether as agents, victims, or merely observers, that attitude must be opposed. Where people do not realize that concern for the general welfare means that all

members of the community have a right to receive the basic necessities of life if that is possible, they must be taught. Where people are likely to turn to violence, they must be shown how to live in love. We encourage everyone to work toward replacing confrontations of groups with other groups, conscious only of difference, by all types of meaningful individual encounters, remembering that anyone who does not seek some means of creative action is supporting things as they are.

ANNE MACKINNEY

FRIENDS FELLOWSHIP OF HEALING

The Fellowship held an open meeting at PYM; presented were plans for organization for the coming year, accounts of the beginnings of groups during the preceding year—in Claremont, Whittier, Santa Barbara, San Francisco, Palo Alto, and Seattle—and descriptions of methods practiced, by groups and by individuals.

In one Meeting, the beginning of a group came about when a Friend asked for help. "Two or three together" met for this purpose, then continued working part of the time in a community of spirit from their homes. In other cases, either a small new group, or one already existing for study or for mid-week worship, used their time together to deepen their inner life with their emphasis on healing as the need arose.

The consensus reached in the gathering at Yearly Meeting was that a Friends Fellowship of Healing is, in essence, Friends' worship: with the focus on helping someone to wholeness by surrendering him, in love, to the healing Light, continuing this with regularity as long as necessary. Guidance is available through lists of helpful books, but there was general agreement that no reading can compare with the action of centering down into the stillness in which individually and corporately we can invite and permit the presence of God in us to do His work.

Those of the FFH people who wanted to do so met for half an hour of silent worship at 7 a.m. every morning on the wall of the rose garden in front of St. Mary's Chapel,

something I'm sure we all wished we could do all year.

There are so far in our Yearly Meeting six Meeting Fellowships and one postal. The latter includes all those Fellowship members who do not have a Fellowship of Healing in their own Meeting; the correspondent is Elizabeth Van Dolsen, P.O. Box 1902, Guadalupe, CA 95445, ph. (707) 884-3684. She is also general chairman for the present.

Convenors of the six Meeting Fellowships are:

Jan Acord, 2987 Eton Place, Pomona, CA 90602

Elma Marshall, 7041 S. Washington Ave., Whittier, CA 90602

Virginia Leinau, 1617 A Chapala, Santa Barbara, CA 93101

Jeanne Lohman, 722 10th Ave., San Francisco, CA 94118

Arden Pierce, 3498 S. Court, Palo Alto, CA 94306

Margaret Beyer, 122 Madrona Pl. E., Seattle, WA 98102

A generous offer of office skills was accepted from Joy Crandall, 5093 Paradise Dr., Tiburon, CA 94920 (Marin Meeting), ph (415) 435-3325.

The Fellowship assures privacy to any seeker of prayer help. When someone asks for help we who contact members can use only a first name and last initial if preferred. No reason for prayer help need be given.

Central Organization is quite unnecessary for any Fellowship of Healing except as through communication we can nurture and sustain each other in our efforts and growth.

Missing copies of the Friends Bulletin: Walt Raitt, Historian-Archivist, reports that all copies are in the files except: #8 issued in 1939, and pages 3 and 4 of the December, 1945 issue. He is eager to fill out his files.

Lost and Found from PYM: An incredibly huge and conglomerate stack of lost items from PYM is piled on the Perry's porch. Items not claimed by 29th November, 1968, will be donated to a good cause. Write or come to the Perry's, 2737 Woolsey St., Berkeley, CA 94705.

FRIENDS NATIONAL CONFERENCE ON THE DRAFT OCTOBER 11-13

"A Friends National Conference on the Draft and Conscription" will be held October 11-13, 1968, at Earlham College, Richmond, Indiana. It is planned and sponsored by Friends Coordinating Committee on Peace, a liaison and consultative body comprised of ten Yearly Meetings, Friends United Meeting, Friends General Conference, and seven Quaker organizations with major peace emphasis.

A broad agenda will cover a range of related subjects. The conference is in response to growing concern in many Yearly Meetings, that we need more precise definition of our responsibilities, and better guidelines on implementation.

There will be only one major address, "The Christian Confronts a Militarized America." It will be given by America's leading civilian expert on the draft, Dr. John M. Swomley Jr. of the St. Paul School of Theology, Kansas City, Mo.

Delegates to the conference are primarily to be chosen by Yearly Meetings and other Friends organizations, but provisions have been made for a limited number of individual Friends to attend on their own application as at-large delegates. Pacific Yearly Meeting delegates are Ben Seaver, Convenor; Barbara Elfbrandt, Ogden Kellogg, and Bob Lawrence, Observer.

For further information, write to Friends Coordinating Committee on Peace, 1520 Race St., Philadelphia, Pa. 19102.

FROM THE QUARTERLY MEETINGS

Arizona Half-Yearly Meeting

Members and attenders of the Phoenix and Pima Meetings gathered in Tucson on August 30, 31-September 1 for the 8th regular session of the Arizona Half-Yearly Meeting of Friends. Others present were Friends from Gallup (N.M) Worship Group. This is the 18th year that Arizona and New Mexico Friends have participated in such fellowship.

In addition to the usual Meeting for Business, with Clerk Baxter Hurn presiding, there were discussion groups for Young Friends, games and arts-and-crafts sessions for children, and frequent swims in the pool for all ages. On Saturday afternoon, Elizabeth Estrada showed a variety of Papago handicrafts and examples of representative basketry from other Southwest and West Coast tribes. Exercises in non-verbal communication was enjoyed by the group under the leadership of Paul Smith. Square dancing, under the direction of a professional caller, was enjoyed that evening.

Among concerns discussed by Friends present was that of the increasing size of Pacific Yearly Meeting and the inherent problems involved. Friends were urged to continue seeking creative solutions for this problem and to make suggestions to Jane Webster (Pima) a member of the new committee on Organization of Pacific Yearly Meeting.

On Sunday, Meeting for Worship was held at the host Meetinghouse. Other sessions were at the Valley School for Girls.

BAXTER HURN, Clerk

Ministry and Oversight committee has prepared a "study sheet" as a guide line for their Monthly Meetings in considering the State of the Society. Interested Friends can obtain a copy from Molly Morgenroth, 737 La Loma Road, Pasadena, CA 91105.

LETTERS TO THE EDITOR

The statement of the Friends' Conference on the Draft (July-August '68 PYM Bulletin, p. 9) is an excellent addition to Friends' thinking which merits frequent rereading. For clarity with its stimulus to action, however, I'd suggest short positive statements in place of the negative or indirect. The Conference implied—but I would state: "A man's allegiance is always properly first to his conscience, not to the state. A government has no right ever to demand the life or part of the life of any person."

If large numbers are won over to allegiance to conscience, though, it will be because through that allegiance many lives are freed and wrongs are ended in international conflicts. Opportunity for such works of spiritual allegiance is offered by the turning of increasing numbers away from government and to voluntary organizations for defence against injustice, tyranny, and violence. This trend seems long term and due to perennial government failures in conflict. Of these Viet Nam is only the most recent.

The worst of nationalism may need to be replaced by such voluntary action before a morally acceptable world sovereign government can be developed.

JOHN AFFOLTER

... I wonder if any Friends have back issues of the **Friends Journal**. Pima Meeting library now has a complete file with the exception of three copies, namely: No. 22 and No. 25 for 1960; No. 3 for 1961. We would be happy to pay postage on them if any Friend has them and is willing to part with them. The **Journal** office is unable to supply these three.

NOTES FROM HERE AND THERE

FROM THE SCHOOLS

"The student home at Argenta is liveable and nearly finished—the summer crew of the Runnings family from Seattle, Haru and Jur Bekker of Maine, Arnie Porter and Doug Heck from California and other generous Friends have done the job. It will be occupied by the Kinnairds from Ontario with their two girls and four students . . . Our staff for the year is complete as well as our enrollment . . . The returns from our appeal for funds was most encouraging."

NEWS OF FRIENDS

Ed and Monette Thatcher (Eugene) are starting their second year in Nigeria where Ed is working as science librarian at Ahmadu Bello University. Ed writes: "The University of Nigeria at Nsukka, organized after the American land-grant system and dedicated to problems of West Africa for West Africans, has been a complete casualty of this terrible civil war—an English friend responsible for all the Great Church Missionary Society bookstores in Nigeria reached Enugu-Nsukka in May to find the library of the university was without roof, open to tropical rains, snakes and looters, as was his bookstore . . . recovery of education and advance of learning in S.E. Nigeria or Biafra will require a very long time . . . there are three remaining institutions in Nigeria, already each over-burdened with students and problems of its own state, tribal groups and political relations."

EDWIN MORGENROTH (Pacific Ackworth) has announced his intention to retire as President of Pacific Oaks College and Children's School, Pasadena, pending appointment of his successor. He and Molly Morgenroth were co-founders of and have completed nearly 25 years of service to Pacific Oaks.

BETSY EBERHARDT (Palo Alto) is spending this year in New Delhi, India, teaching at the American International School. "There is a Quaker Center here—it is informative and challenging to hear and see the Friends passing through from all over the world . . . en route here I attended Meeting in Honolulu, Japan, Hong Kong . . . next summer I will visit my daughter Karen in Tasmania and continue on around the world. My address is AIS, New Delhi, Dept. of State, Washington D.C. 20521."

JOSEPHINE DUVECK (Palo Alto) received the fifth annual Community Service Award of the Los Altos Board of Realtors in May—cited for her long interest in children, her work in interracial problems, and her concern with conservation.

PARL WELCH (Santa Monica) began work in August as a non-fee volunteer psychologist at two public facilities: The Unitarian Community Church in Santa Monica and the Golden State Community Mental Health Center in Pacoima. He will be doing individual psychotherapy in both for those who cannot pay fees for private services, and in addition, Jungian orientated group work at Santa Monica.

DAVID AND SUE MOE (University) are in Chicago on training as Vista Volunteers, to be stationed somewhere in the Great Lakes area.

FROM ALL QUARTERS

The Quaker Action Group writes: "After six months of work for the Poor Peoples Campaign we are considering future plans . . . for projects of non-violent change. Latin America is an area of our deep concern . . . we are considering the possibility of a nation-wide campaign against chemical and biological warfare . . . should we follow last year's witness at the United Nations with an even larger and more comprehensive effort for universal human rights? . . . Our most immediate concern remains the war in Vietnam, having faith that if we seek for ways to act creatively, way will open . . . We welcome suggestions. . . . What should we be doing in addition to draft resistance? We still need about \$2,000 each month as we move forward to other projects; please make checks payable to Wilmer J. Young, 20 S. 12th St., Philadelphia, PA 19107.
